FEATURES

COVER STORY

22 Get Ready for America's Coast-to-Coast Eclipse
Where will you be on August 21, 2017 — when a total solar eclipse will be seen from Oregon to South Carolina?
By Fred Espenak and Jay Anderson

29 Wanted: 90 Minutes of Totality
Solar scientists hope an armada of amateur astrophotographers can record the inner corona's evolution throughout the 2017 total solar eclipse. *By Matt Penn*

32 Hot Products for 2016
By the Editors of Sky & Telescope

62 Monsters in the Dark
Despite their size, there's no need to fear giant elliptical and cD galaxies.
By Richard Jakiel

68 The Tale of the Brashear Time Capsule
A collapsed building spits out pieces of America's telescope history. *By Al Paslow*
